18 November 2016

Dear Marcus,

REF: ACA GOLF DAY – 8 SEPTEMBER 2016

I am writing to thank you for your support on the above day which was extremely successful and broke previous records from sponsors and attendees.

The total amount raised was £17,500 and we are, therefore, donating £8,000 each to Noah's Ark Children's Hospice and Cherry Lodge Cancer Care with the balance donated to various other local charities including a Christmas lunch for OAPs in the Barnet area.

As you might be aware both charities are very involved in the local community with Noah's Ark Children's Hospice providing clinical, emotional and practical care and support to babies, children and young people with life-limiting and life-threatening conditions across Barnet, Camden, Enfield, Islington, Haringey and Hertsmere. Their aim at present is to raise funds to construct North London's only children's hospice building to complete its existing 'Hospice-at-home' services to more than 1,169 unwell children in the catchment area.

Cherry Lodge Cancer Care is a local independent charity committed to improve the quality of life for people living with cancer, their carers, family and friends in Barnet and the surrounding areas of North London and South Hertfordshire. Their services focus on the provision of high quality cancer support and complimentary therapies provided by qualified specialists in their own Centre based locally in Barnet.

It is extremely nice to enjoy a wonderful day with, once again, great weather whilst raising a considerable sum for worthy causes and I hope that we can rely on your future support for next year's golf day being held on 7 September 2017.

Thank you once again for your generous support for the last 6 years.

Kind regards,

ALAN COX
